**MAST Student Named District Science Scholar**

MAST Academy senior **Daniel R. Sanchez** has been selected as a *District Scholar* in the *2006 Sunshine Scholars Program*. This honor recognizes Daniel's accomplishments in both mathematics and science throughout his high school career. As a District Scholar, he will compete in January 2006 with other Scholars in South Florida to become one of six Regional Scholars who will then enter the State competition in Tallahassee, March 12-14, 2006. The Regional examination, which takes place on January 19<sup>th</sup>, includes problems in mathematics, statistics, physics, biology, and chemistry.
