FOR IMMEDIATE RELEASE

MAST Senior Wins Physics Competition

MAST Academy senior **Dayan Paez** has been named **First Place Winner** in the **University of Miami's 2003 Physics Competition**. **Physics Department Chair Professor George C. Alexandrakis** recognized Dayan for demonstrating a "superior level" of science scholarship. He has also been invited to visit the university and to become familiar with the kinds of research being conducted by physics professors. Dayan, his family, and Physics teacher **Dr. Julie Hood** will attend an awards ceremony and reception at the University of Miami.
